Welcome to Your Student Health Plan!

As a student with coverage through the CDPHP® student health plan, **we want you to know that you will not automatically receive a member ID card.**

Here's how you can request one:

▶ Log in to **member.cdphp.com** and check to make sure the address we have on file for you is your current address by clicking on **My Account**. If it's not, click on **Change My Address**.
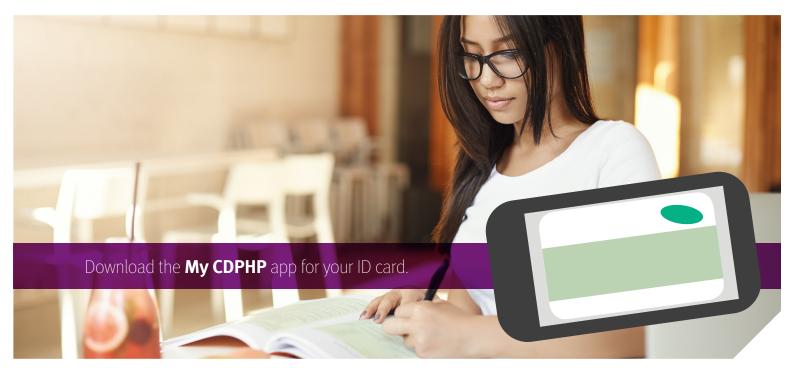

TIP! Don't have an account yet? No problem! Use your **student ID number followed by the suffix (00)** to register.

▶ Click on **View Card** in the top navigation bar to put in your request. You should receive your card within five business days.

Interested in a mobile-friendly solution? Download the **My CDPHP** app to have ready access to your ID card. Search for My CDPHP in your app store.
