Disclaimer: This summary is intended to provide an overview of benefits only and does not include all coverage details, limitations, or exclusions. It is not a contract of insurance. For complete benefit information and coverage provisions, please refer to the official plan documents. In the event of a conflict, the Certificate of Coverage and policy documents will govern.

Annual Deductible: An amount you could owe during a coverage period (usually one year) for covered health care services before your plan begins to pay. An overall deductible applies to all or almost all covered items and services.

Copay: A fixed amount (for example, \$15) you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of covered health care service.

Coinsurance: Your share of the costs of a covered health care service, calculated as a percentage (for example, 20%) of the allowed amount for the service. You generally pay coinsurance **plus** any deductibles you owe.

The 2026-2027 benefits listed above are a summary of the Keuka College Student Health Insurance Plan design. Additional Schedule of Medical Expense Benefits/Limitations is specified in the Overview Policy.
