Student Health Insurance

Who is eligible?

Full-time students are automatically enrolled in the Elmira College Student Health Insurance Plan. Students who are covered by their own health insurance must go online annually to waive the plan prior to the deadline. The waiver must be submitted and approved in order for the charge to be removed from the bill. If you already have health insurance coverage that meets Elmira College's waiver criteria, you must submit a new, completed waiver petition each academic year.

Copay: A fixed amount (for example, \$15) you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of covered health care service.

Coinsurance: Your share of the costs of a covered health care service, calculated as a percentage (for example, 20%) of the allowed amount for the service. You generally pay coinsurance **plus** any deductibles you owe.
