Plan Benefits

UNLESS OTHERWISE SPECIFIED BELOW THE MEDICAL PLAN DEDUCTIBLE (IF APPLICABLE) WILL ALWAYS APPLY.

Ohio's House Bill 388 and the Federal No Surprises Act establish patient protections, including from Out-of-Network Providers' surprise bills ("balance billing") for Emergency Care and other specified items or services. We will comply with these new state and federal requirements, including how we process claims from certain Out-of-Network Providers. In accordance with these requirements, when You receive Emergency Services, or Out-of-Network Ambulance Services (ground, air (fixed wing and rotary wing), or water transportation), or non-emergency Treatment by an Out-of-Network Provider at an In-Network Hospital or Ambulatory Surgical Center without Your consent, You are protected from Surprise Billing. In these situations, Your cost sharing responsibility will be calculated as if the total amount that would be charged for the services by an In-Network Provider or facility were equal to the Recognized Amount for the services, which is the lesser of the actual amount billed by the provider or facility and the Qualifying Payment Amount. Refer to the Preferred Provider Organization provision in the How The Plan Works And Description Of Benefits section for additional information.
