Student Health Insurance Plan Frequently Asked Questions

Albany Medical College requires all full-time and part-time students to have health coverage, through either a family health insurance plan, a private insurer, or the quality plan offered by the College. International students do not have the option to waive out of the plan. The College plan is based on the Affordable Care Act requirements, which mandate that students be covered with an unlimited benefit maximum per year. Students who enroll will be billed an annual premium for the Student Health Insurance Plan unless they submit an online waiver and provide proof of alternate coverage that is equal or better health coverage from another US-based company.

Comparable Coverage

For your waiver to be approved your plan must meet the following requirements:

- Fully compliant with all aspects of the Affordable Care Act (ACA).
- Underwritten and administered in the United States.
- Effective for the entire academic year.
- Provides in-network non-emergent/urgent and routine care (preventative services) without coverage limitations within a 50-mile radius of the school.
- No limitations or exclusions on pre-existing conditions.
- Provides coverage for hospital stays for medical and surgical care and for mental health conditions.
- Provides coverage for doctor's office visits for medical and mental health conditions.
- Provides prescription drug coverage.
- Provides unlimited medical/hospital benefits without dollar maximums.

The following coverages do not meet the university's waiver requirements and will not be approved:

- Out of State Medicaid plans
- Out of State HMO plans
- Health Share plans
- International plans
- Travel plans
- Kaiser Permanente HMO
- Metro Plus
- Health First

Deductible Requirement:

- None

Waiver eligibility is subject to verification. Submitting a waiver does not guarantee approval. If your current insurance plan does not meet the school's requirements your request will be denied and you will be automatically enrolled in the student health insurance plan. Haylor, Freyer & Coon, an Alera Group company, will contact you if more information is needed.
