Student Health Insurance Plan Waiver Requirements

Hamilton College requires that all enrolled students carry valid health insurance coverage. Students who enroll at Hamilton will be billed an annual premium for the Hamilton College Student Health Insurance Plan unless they submit an online waiver and provide proof of alternate coverage. International students are required to enroll in the Student Health Insurance Plan with no option to waive.

Comparable Coverage

For your waiver to be approved your plan must meet the following requirements:

- Fully compliant with all aspects of the Affordable Care Act (ACA).
- Underwritten and administered in the United States.
- Effective for the entire academic year.
- Provides in-network non-emergent/urgent and routine care (preventative services) without coverage limitations within a 50-mile radius of the school.
- No limitations or exclusions on pre-existing conditions.
- Provides coverage for hospital stays for medical and surgical care and for mental health conditions.
- Provides coverage for doctor's office visits for medical and mental health conditions.
- Provides prescription drug coverage.
- Provides unlimited medical/hospital benefits without dollar maximums.

The following coverages do not meet the university's waiver requirements and will not be approved:

- Health Share plans
- International plans

Waiver eligibility is subject to verification. Submitting a waiver does not guarantee approval. If your current insurance plan does not meet the school's requirements, your request will be denied and you will be automatically enrolled in the student health insurance plan. Haylor, Freyer & Coon, an Alera Group company, will contact you if more information is needed.
